From the Crown

Unto the Mighty Kingdom of the Outlands do Hoegaarden and Chiara send greetings;

The winter holiday season is now behind us, our lives richer with time spent with friends and family. Laughter and smiles fresh in our memories, we continue to share the tales of gallantry with those who hunger for stories of valor and glory. The veteran warriors rekindle their spirits with teaching the lesson of axe and sword to the young and energetic. An old song is passed down from the earliest days of our kingdom, falling upon the ears of our newest bards, who will in turn pass the melody once again by a household hearth. The Kingdom of the Outlands is full of treasures; our people. Share in the wealth of our kingdom. Listen to our founders and newcomers, for their tales are similar, of the great Kingdom of the Stag. Long live the Kingdom of the Outlands!

We would like to thank all of the incredible hosts of events during the holiday season. Hunter's Feast provided fabulous food and friendship as always. The midwinter event in al-Barran was incredible. Thanks to all of those who worked so hard so we could all enjoy ourselves. Baronial Yule in Caerthe was full of holiday cheer and giggles. The ornament exchange was a grand time for all. Thank you to everyone who made this such a wonderful holiday season.

In January, we will see two baronies under new leadership. In Caerthe, our oldest barony, Sir Vladimir and Lady Adelaide retire as Vicar and Vicaress. They have been magnificent in taking care of the Barony of Caerthe. Sir Ramon the Chronologer (called Kronos) and Lady Catherine will begin their tenure as the new Baron and Baroness at Caerthen 12th Night. We are confident they will lead their barony to Outlands greatness. A heartfelt thanks to Conrad and Leah, as they step down as Baron and Baroness of the Citadel of the Southern Pass. Their leadership was outstanding and we are grateful to have had them rule our far southern lands. Sir Roger and Lady Constance will be invested as the new Baron and Baroness at Citadel's 12th Night celebration. We look forward to the joyous occasion. We will also travel to the far northern reaches of our lands, to the Shire of Plattefordham. We anticipate the sounds of drums and zils at Winter Oasis in Unser Hafen, full of dancers and musicians. The month ends with the traditional friendliness at Candlemas in Dragonsspine.

Estrella War lies just beyond the month of January. There will be many war practices throughout the month and we encourage you all to support the Estrella War effort. Our command staff has been in place and hard at work with preparations. The Outlands General on the heavy combat field is Count Bela Kos. We will follow his commands on the fields of the Estrrella War, hearing the sound of his voice at our backs as we march through the enemy line. The heavy commanders are THL Otakte in the north, Sir Bohemond in the central, and THL Dietrich in the south. On the rapier field, Don Otteaux will be the Outland's general. Rapier commanders are Lady Cecily in the north, Don Rudeger in the central and Lord Stryder and Lady Peryn in the south. We have gathered a mighty army and have assembled the gifted artisans and strong support staff. Soon we march with the shining sun on the fields of Estrella. The Outlands drums will be heard throughout the desert plains; make ready for War.

In service to the mighty Kingdom of the Outlands,

Hoegaarden
King

Chiara
Queen

A Missive From the Crown of Calontir

Greetings to our cousins in the Outlands from JoeAngus & Phaedra, King and Queen of Calontir!

It has been brought to Our attention that there have been some questions regarding Calontir's alliance with Caid at the upcoming Estrella War. In a few short months, We will be traveling to the sands of Atenveldt for the fun that is the Estrella War. We would like to clarify some confusion regarding our alliance with Caid this year.

With the Outlands and Atenveldt on one side, Caid would be greatly outnumbered. We have chosen to fight with Caid this year, partly to glean the most fun for everyone, partly to even out the sides up front. This does not mean we are in any way not friends with the Outlands. We have discussed this with His Majesty Hoegaarden, and His Majesty is not unaware of either Our decision or the friendship we feel for the Outlands. We are still camping alongside and partying with all of you. The camaraderie we share with our friends from the Outlands is long standing and not something that will be thrown to the wayside. We look forward to Estrella War—the battles, the parties and the fun to be had just being with friends from near and far. If anyone has any questions regarding Our alliance with Caid this year, please feel free to ask us. We are sorry for any confusion We may have caused.

TRM JoeAngus & Phaedra
Calontir

From the Kingdom Minister of Arts and Sciences

Greetings unto the Populace!

Estrella will be here before you know it and with it, the oh-so-popular A&S Competition. Once again, the three categories are: Crowns & Coronets, Bookbinding and Middle Eastern Clothing. (please see www.estrellawar.org/a_s_comp.html for more information on the categories)

The judging forms are available at www.estrellawar.org/files/treaty_a_s.pdf. Please be familiar with them BEFORE the day of the competition! Looking over these forms should be a huge assist in knowing what the judges are looking for, especially re the documentation. Viewing the file does require Adobe Acrobat. If you are unable to access them for whatever reason, please feel free to contact me directly and I will mail you a copy.

The Kingdom A&S Competition will be next April, the weekend AFTER Easter, in the Barony of Caer Galen. Please see your February Outlandish Herald for more information.

The KWCS & KWRS were a blast. I had a great time and hope everyone else enjoyed themselves. The venue was wonderful. Orchids! Growing in the lobby! Kudos & Vivats to Mistress Eirene and Lady Rivka and their hardworking staffs. Well Done!

As always, please feel free to contact me on any A&S issues, I am always happy to help.

Toujours a vos ordres,
Margaret Hepburn

From the Kingdom Waterbearer

Greetings to the good populace of our beautiful Outlands,

I would like to introduce the Outlands Waterbearing team that will take care of our heavy fighters, rapier fighters and archers at War.

The coordinator for the heavies is Lady Anastasiia Tsaganova of Citadel. Her deputies are Lady Aedhagan of Fontaine and Skyeleigheaha of al-Barran. The rapier coordinator is Lilliana of al-Barran, and her deputy is Maimuna of Drygestan. The archery coordinator is Lady Mally of Caerthe. I'm still searching for a deputy for archery.

All of these lovely ladies are working hard at finding gentles who are willing to help out at War. The War Council has requested that there be at least one waterbearer for every fifteen combatants. Considering the size of the Outlands army, we need to field many waterbearers. If you are willing to help, please let me or one of my coordinators know.

Yours in service,

Lady Gwenyth Sastre

Constitution for the Order of the Golden Pheon

I. There shall exist in the Kingdom of the Outlands an award, known as the Order of the Golden Pheon, which may be given by the Crown to those archers who have demonstrated dedication and skill in the art of archery and service to support the archery community.

II. The holders of this award shall be styled as Companions of the Golden Pheon and shall be entitled to place the initials C.G.P. after their names.

III. The insignia of the Order shall consist of a medallion bearing the registered badge of the Order: Vert, a pheon inverted environed of a stag's attire, all within a bordure embattled Or.

IV. Arms and precedence:

A. The award shall carry with it an Award of Arms. Companions of the order shall take precedence after simple Grants of Arms.

B. If the award is given to a person who bears an award carrying higher precedence than given above, his/her precedence shall remain unchanged.

C. If the award is given to a person who has previously received an Award of Arms, his/her precedence shall date from his/her election to the Order.

V. Amendments to this constitution shall be made by the Crown of the Outlands.

VI. Companionship of all previous recipients of the Order is hereby confirmed.

By our hands this 8th day of November, A.S. XXXVIII, being 2003 in the Common Era.

From the War Council

The best of health, happiness, growth and prosperity unto the generous and mighty populace of the Outands in this wondrous New Year.

Solstice has passed and the longest night gives way to the return of the Sun as our days lengthen at a slow and leisurely pace. Behind us lies the wonders of Outlandish Midwinter's and Outrageous 12th nights and before us is the delights of St. Bridget's Candlemas. But for now the mighty cooking cauldrons of the guilds who have wined and dined us with such skill and enthusiasm are currently cleaned and stored away in the dark recesses of basement cupboards. We who have diligently served our friends and family throughout this winter festival season are finally able to take our ease and rest our feet before the friendly kitchen fires.

"Good herald help yourself to a stoop of mulled wine and tell us of the news of court for we have missed much of what has transpired during these winter festivals... what say you herald... what news?"

Our King and Baron while rejoicing in the revels that ring out within our gracious halls do speak with such passion and force of the armies that prepare to face us at the great Estrella plains. Their noble battle cries have been heard from vale to shire and unto the seven mighty Barony's great halls...

"Come brave warriors of the Outlands... bear your swords, arrows, lances and spears with courage and skill to Estrella to defend Our sovereign lands!"

"Come talented artisans of the Outlands... bear your passion, your music, your art, your beauty, skill and talents to awe Our Allies and astounded Our foes!"

Oh... and who shall bear this army hence and who shall tote this works of art the length of these might lands and once we are there... who shall feed and water these defenders of our Gracious Doe and these creators of magic and music? Eh? Who indeed!

Mark my words good Herald... Mayhem will ensue should you not be there to attend our Nobility... Mayhem I say. And what of you, good niece, will you not join your cousins and family and bear water to those fierce warriors who in defense of our Queen and your virtue sweat and bleed upon the Estrella battle fields?

I heard a piece of poetry once, in my ancient mind I cannot recall the bard who spoke it or the writer who created it either but it began with... "The cooks rise before the dawn, preparing the morning fires. The troops need a hardy meal. The Outlands has gone to war." And while it speaks of Heralds and troops, archers and artisans, drummers and camp cooks... I believe it ended with... "The King knows he needs the Kingdom's support when the Outlands goes to war." Who am I to argue with a Bard's noble truth!? I will serve my Crown and Kingdom at this Estrella War.

Good people of the Outlands what can you do to support your Crown and Kingdom this Estrella War? For those who come to war to join their comrades in friendly battles and fierce fun do great service to their friends and family, Noble Lords and Ladies, their Warrior King and Gentle Song filled Queen. Join us at this years Estrella War and know the pounding of the Outlands drums as your own heartbeat.

The Outlands is but a dream without the service and love of it's generous populace.

Good People of the Outlands can you not hear the pounding of the Stag's Heart for truly the drums of war are the heartbeat of our Mighty Kingdom?

Will you not answer?

Elizabeth O'Byrnne

The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (1/2) page article, and 600 words in a one (1) page article. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A June event MUST run in the June OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the two (2) publication limit. Additional printings may be purchased at the current advertising rates. **Generally, event announcements must fit on 1/2 page in months prior to the event, and 1 page the month of the event. Announcements exceeding this size may be trimmed to fit.** Look for this to be enforced RIGOROUSLY beginning with the November 2003 issue! Optionally, if you wish to exceed this limit, you can purchase space at current advertising rates. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication.
